Famous for its hospitality, Circolo Vela Arco organizes national and international sailing regattas, as well as "get-together dinners", where the dishes of the local traditional cuisine, accompanied by a good wine, welcome guests very warmly.

Facilities:

> courses for children and adults on dinghy and cruise boats during the summer season with qualified instructors

> a wide parking and big green areas, where guests (agonistic teams as well) are always very welcome

The club is open all year round and is at disposal of everybody who'd like to plough through the waves of one of the most beautiful and famous lakes of the world: Lake Garda.

With an almost hundred-years-old tradition exactly 80 years in 2008, Fraglia Vela Riva's main activity is the organization of sailing events, most of them of international level. Located in the centre of Riva del Garda.

Facilities:

- > a big park for cars, boats and trailers
- > a supervised area (24 hours per day)
- > two slipsways and a crane for the haulage (max 5 ton), a medium sized port and very hospitable premises
- > a sailing school for children breeding ground for the agonistic team F.V.R., sailing club's ambassador all over the world
- > a comfortable clubhouse with an excellent Restaurant and Bar, 400 squared metres covered terrace for parties and prize giving, upper terrace/solarium
- > a sailing school for adults which offers also exciting match racing and team building sessions

The Lega Navale Italiana, a public board under the patronage of the President of the Italian Republic, has the aim to promote the sailing activity. The area of Riva del Garda has always played an important role promoting and sustaining the passion of "sailing all together" in the Alto Garda region and organizing promotional initiatives, both in training and practice of this sport.

Facilities:

- > the sailing school, in cooperation with the Gardaseecharter company
- > a large wooden slipway

www.surfsegnana.it

SurfSegnana is a sport network located on the Northern part of Lake Garda. It is well known as the best and better equipped European windsurfing school. The seven centres are situated between Torbole, Riva del Garda and Limone in an amazing setting where the mountains meet the lake and the wind is guaranteed.

Facilities:

- > windsurfing school and rental, sailing boat - catamaran school and rental, mountainbikes rental and tour
- > the booking office offers personalized packages including hotel, windsurf rental and lesson and bike rental at very reasonable prices
- > staff can also manage events, team buildings and incentives

SURFCENTER LIDO BLU

Courses :

- Courses are run following DSV/VDWS format
- Small group instruction and video training
- Land simulator: harness sailing - waterstart

Welcome to Surfcenter Lido Blu 2008 open from April to October. Looking for a unique vacation spot? Then you've come to the right place... Surfcenter Lido Blu offers vacation packages to satisfy everyone, from the relaxed to the extreme, we can accommodate all. Surfcenter Lido Blu is a fully equipped, licensed windsurfing school with all the latest gear from Naish and Hifly.

Facilities:

- > a broad range of equipment to suit any ability, add to that, wetsuits, harnesses, and everything else you'll need to get on the water and rip it up
- > a small bay created by the river Sarca has made an ideal launching/landing site for sailors of all abilities
- > rental equipment: boards and rigs Naish 2008

www.vascorenna.com

The Vasco Renna Professional Surf Centre is situated in the centre of Torbole in a wonderful hundred year old park by the lakeside.

Facilities:

- > windsurf courses for every level, from beginners up to the advanced ones. There are 8 different kind of courses and all can be held in Italian, English, German, French and Spanish from professional teachers
- > rental and storage, all the guests have 220 Fanatic boards and 250 Gaastra rigs 2008 to choose from. The centre offers also a storage service on the lake-shore for boards and sails
- > holiday packages + courses or rental, the booking centre organizes holiday packages in hotel or apartment plus course or rental

Situated on a wonderful peninsula that is a real launching pad on the clear water of the lake, it is a perfect training for sailing lovers, thanks to a temperate climate and intense winds all year round. It is internationally known also for the organization of numerous events, such as the World Competition Australian 18", the European Championship Moth, the World Competition FD and the participation in the organization of the National Championship.

Facilities:

- > courses for adults and children
- > international Regattas and Events
- > stages with practical assistance and logistic support
- > multimedia room
- > laying up service on land and mooring in the water

37011 Bardolino (Vr)

Tel. / Fax + 39 045 7210816

info@centronauticobardolino.it

www.centronauticobardolino.it

Founded in 1979 the sailing club Bardolino is the technical centre of the affiliated sailing, canoeing and boating federations. The center organizes sailing events like Trophy Silvano Mascanzoni, Trophy Mario De Beni (both for the optimist class) and the Lake Garda Winter Championship.

Facilities:

- > large outdoor storage area for boats and equipment
- > crane for haulage and launch
- > mooring service for members in two areas (Punta Mirabello and Punta Cornicello) with a ferry service to moored boats.
- > indoor tanks for practice canoeing and boating at the service of members
- > dressing rooms, showers and private lockers
- > a bar with a large terrace

The Lega Navale Italiana was founded in 1897 in La Spezia – and has been a Public Board under the authority of the President of the Italian Republic since 1975. The L.N.I. aims to promote, in particular amongst young people, the sea attitude, the knowledge of sea problems, the love for the sea and the protection of sea environments and inland waters. The Garda chapter was founded in 1972 and has been affiliated with the Italian Sailing Federation (F.I.V.) since 1977.

Facilities:

- > sailing courses for every level with qualified instructors L.N.I and F.I.V.
- > floating wharf with paddle boats at the disposal of members to access the boats moored in the water
- > outdoor storage areas for derive boats and various equipment
